

To Give Is Better Than To Receive

I have always wanted to have a Thanksgiving Service in my humble home. In April 1988, through some divine interventions, I got my present HDB flat with a minimum CPF payments. I could only maintain my flat in its original condition till somewhere this Sept where the government carried out their upgrading and retrofitting program for the entire HDB estate where I am living. At that moment, I wasn't ready to renovate our interiors due to some financial reasons.

However, somewhere in June this year, the Lord spoke to me to bless a brother who was going to an overseas mission. I struggled for a little while over this prompting due to my financials. But I finally submitted after reading Acts 20:35. As to renovating my interiors I was in 2 minds due to my financials. Nevertheless, I brought this matter before our Lord. One day, my elder sister spoke to me and offered me a sum of S\$6,000 to renovate the interiors. I jumped with joy to experience our Lord answering my prayers. I was further lifted up when my room tenant also wanted to bless me with S\$1,500 towards the renovation. Beloved, I have experienced Acts 20:35 in this matter and will like to use 2 Corinthians 6:2 to remind all of us that God hears us and will help us.

Glory to God! Hallelujah!
