

My transformed & Prayerful Parents Convinced Me To Yield My Life to Jesus

KNOWING GOD, it makes me feel and understand what LOVE is about between people. I heard of the name of JESUS during my secondary school life, but I don't truly KNOW HIM at the point of time. The time I really got close to GOD and Truly KNOW HIM when I was away from my family.

The Joy of Salvation

During those times, I participated in the Saturday Chapel and that was there I witnessed the GOD'S LOVE through the brethren. Those brethren were steadfast in sharing this never-ending LOVE of God to me. Then, I joined the Alpha course to better understand who this GOD is. It was also then I learn to start praying that led me to personally accept Jesus Christ as my Savior & Lord. The brethren from "Youth With A Mission" were in regular fellowship with me. The LOVE they have for me TOUCHED me. It was in RTC where I saw lives changed and transformed under the Power of God.

Most of all, through my life, I saw how my PARENTS transformed as they Walked with the Lord. From being a very strict and unyielding parents, they became understanding and are filled with GOD'S LOVE for me. They also love me more because CHRIST lives in them. Although sometimes, I ONLY pray in my heart for the things I wish, but I saw how God always answered my prayers. By His grace, I begin to experience the reality of God towards me. Thanks to be God.
