

WHAT a way to Dawn A Brand New Year in the Lord with **Year-End Thanksgiving Dinner** on 31-12-2009.....

OFF To A BLESSED 2010 with testimonies from -

A family still attending cosk since the start of the ministry:

"Dear Pastor, happy new year. Just to let you know that my family thoroughly enjoyed last night's Thanksgiving Dinner/WatchNight Service. For quite a long time in 2009, the mood even during various celebrations, were less than enthusiastic and our spirits seemed to be in hiding. Last night, we saw faces of REAL Joy, happiness, LOVE & Care amongst brethren. Some who couldn't attend the dinner, came at the 11th hour JUST TO BE With the family of Christ. We found ourselves drowned in a sea of happy faces through out the evening. Although I am glad from the lessons learned and know that our walk in the wilderness is now behind us. A New Chapter has already began at 12.01am this morning and our dear Lord Jesus is leading the way. He has resurrected our hurt spirits and now filled it with His Love. Our mission from HIM need to continue and we join hands with you to walk this long journey to bring to His Holy Name. Amen

A brother who just returned to Church of Sengkang:

"I want to thank God for your love and care even when I left COSK for a while. I am thankful to you for patiently waiting for me to return to church. The Lord has shown me your genuine care and I will stand by you to support this ministry. I love you. Have a blessed 2010 and may our Lord bless Church of Sengkang"

The words of bro Johnny Tay:

"I'm here to stay in Church of Sengkang till rapture. On a mutual understanding with the Board and Pastor David Kerk, bro Johnny Tay has relinquished his position as a director of the Church of Sengkang Limited. But he has agreed to stay as the person in charge of the Holy Communion Ministry and member of the church"

A sister who has joined us since 2009:

"I love what the Lord is doing in this church. Thank you Pastor David for giving me a chance to serve our Lord. My prayer is asking HIM to extend His kingdom in Sengkang/Punggol"

Saying that the New Years Eve dinner and the Watch night service were good is an understatement. It was simply magnificent! All of us was having a great time with yummy delicious food and praising and worshipping God together, accompanied by the songs presentation by our Brethren from Philippines and Bro Frankie brought much laughter and joy throughout the night. It was a night filled with the joy of the Lord.

Perfect coordination and cooperation from everyone made it possible but we all know that without God, all this would not happen. In particular, the Watch night service holds a special place in my heart in more ways than one because I was close to backing out from doing the event due to personal commitments but I'm glad I did it because I saw God's love for me, for His people and vice versa.

2009 had been a tough year for me bearing the brunt of the worse economic crisis in history. I was jobless for close to 6 months and on the brink of hopelessness. God answered my cries for help and brought me out from the abyss of emotional despair. One thing I know, whenever I am going through any spiritual wilderness, I can always look to God for help.

We are not seeing the end of a year but a brand new start to a brand new year when we will see more of God's goodness and greatness in our lives.

Have a blessed 2010 trusting and obeying God.

Trust and Obey
Bro Aloysius Chan
